Potential RLT Qs provided to Ostrander 9-30-15.docx

Looking for dates and times where Shaun and David might be available for a special RLT session on GKM. **Might Wed 11/18 at 9:00 or 11:00 work for both of you?** Both times look free on Shaun's calendar. Otherwise, likely can't meet until after 11/30 when Shaun returns from vacation. Seems like the earlier the better.

Danny's put the attached questions together for us to work on ahead of time to start the discussion.
